

# Its that time again

Sunday 23rd June 2019

**Our celebration of the  
'winter solstice'**

Come and see the sun rise at Jollys Lookout, Mt Nebo Rd, Brisbane Forest Park. We go rain, hail or shine for our once a year run up the mountain. It is always lots of fun and a great way to get an early start for the day.

We meet at the Bus Park and Ride car park on Waterworks Rd at the Gap. Go past the Settlement Rd intersection and continue on. The Bus Car Park is on your left another kilometre or so further on. Be there in time for a 6.00 am sharp departure. The trip up the mountain, takes about 20 mins. Once there we enjoy the mountain air and watch the sun rise over the Samford Valley.

**You will need to bring your own Breakfast etc**

Also chairs tables and coffee or tea, gloves & woolies

As this is an early start it means we will finish in plenty of time for you to enjoy the rest of the day.

See you there

*Ross McCormack*
